

BOWEN ESTATE

classic coonawarra

est. 1972

2015 Bowen Estate Cabernet Sauvignon

- Region:** Coonawarra, Australia
- Variety:** Cabernet Sauvignon 100%
Totally Estate grown and hand pruned
- Vintage:** The growing season started with great early winter rains. Following an even budburst flowering continued with a warm Spring and little wind; great conditions for berry set. Summer weather was ideal for veraison through to ripening with warm days and cool nights excellent for flavour ripeness and acid balance. Crop levels were moderate with small berry size.
- Wine:** The 2015 Cabernet Sauvignon is a wonderful follow up to our highly lauded 2014 40th vintage release. Aromas of dark berry fruits leap out of the glass. On the palate, the fine fruit tannin structure enhances the restrained elegant blackberry fruit characters promised by the nose. Well woven French oak wood grain characteristics further embrace the classic Cabernet palate. A wonderful example of a classic Coonawarra Cabernet Sauvignon.
- Drink:** Over the next 5 - 7 years.

The Bowen Family is proud to guarantee the origin of this wine.

All grapes used are grown and harvested from our vineyards located on Coonawarra's famous terra rossa soil.
