

BOWEN ESTATE

classic coonawarra

est. 1972

2015 Bowen Estate Shiraz

- Region:** Coonawarra, Australia
- Variety:** Shiraz 100%
Totally Estate grown and hand pruned
- Vintage:** The growing season started with great early Winter rains. Following an even budburst, flowering continued with a warm Spring and little wind; great conditions for a good berry set. Summer weather was ideal from veraison through to ripening with warm days and cool nights. Excellent flavour ripeness and acid balance. Crop levels were moderate with small berry size.
- Wine:** A fabulous run of vintages in Coonawarra including the 2015. This wine gleams brilliant dark purple in the glass as an example of an exceptional vintage. Our Ampelon heritage clone vineyards are now truly shining. Richness of classic Shiraz characters are complimented by fresh elegant American oak flavour on the nose. The rich fruit characters are again evident on the palate and leave your mouth singing with bright seductive fruit flavours well balanced with fine long classic coonawarra tannins. This is a beautiful wine to drink now, but will evolve into a little beauty with age.
- Drink:** Over the next 5 - 7 years.

The Bowen Family is proud to guarantee the origin of this wine.

All grapes used are grown and harvested from our vineyards located on Coonawarra's famous terra rossa soil.
