est. 1972

2017 Bowen Estate Cabernet Sauvignon

Region: Coonawarra, South Australia

Variety: Cabernet Sauvignon 100%
Estate grown and hand pruned

Vintage: The 2017 growing season got off to a great start with a good bud burst followed by healthy flowering, fruit set and the anticipation of promising yields. Vintage conditions could be described as 'trying' with intermittent bursts of rain from veraison on. The open canopies of our arch cane pruned vines helped to deter disease. Ripening was slow and picking around the weather conditions was one of the keys to the 2017 vintage.

Wine: The vibrant and abundant Cabernet Sauvignon aromas lift from the glass. The wine has a good traditional Cabernet Sauvignon structure and mouth feel on the palate showing many layers and definition. Cool climate fruit characters balance the grape and French oak tannins, adding extra complexity to the wine. Slow cooked, beautifully seasoned meats will complement this wine.

Drink: Over the next 5 - 7 years.

The Bowen Family is proud to guarantee the origin of this wine. All grapes used are grown and harvested from our sustainably grown vineyards located on Coonawarra's famous terra rossa soil.
