

BOWEN ESTATE

classic coonawarra

2022 Bowen Estate Shiraz

- Region:** Coonawarra, Australia
- Variety:** Shiraz 100%
Estate grown and hand pruned
- Vintage:** Good winter rains in line with our long-term average placed the vines in healthy conditions leading into the summer months. Flowering towards the end of spring was quick, which is a good sign for balanced fruit production. A slighter warmer January was followed by normal weather patterns for the rest of the ripening period. Picking times were in line with long term average. The wines produced have good bright acidity levels with optimum flavour.
- Wine:** An extremely pleasing, lifted medium weight Shiraz. On the palate this wine exhibits classic plum and ripe raspberry fruit notes that are typically Shiraz. Lovely fresh oak tannins are intrinsically woven with the fruit to seamlessly add length and breadth. A hallmark of our wine is balance and this wine shows this even in its current youth - giving great cellaring potential. A delight to drink now or put away in the cellar.
- Drink:** Over the next 5 – 7 years

The Bowen family is proud to guarantee the origin of this wine.

All grapes used are grown and harvested from our sustainably grown vineyards located on Coonawarra's famous terra rossa soil.
