

BOWEN ESTATE

classic coonawarra

est. 1972

2024 Bowen Estate Cabernet Sauvignon

Region: Coonawarra, South Australia

Variety: Cabernet Sauvignon 100%
Estate grown completely hand pruned.

Vintage: There was a lot of excitement for the 2024 wines during fermentation time. Moderate to slightly lower than average yields, was brought on by a slightly cooler flowering period. Leading into vintage Coonawarra had lovely warm days, cool evenings with one burst of hot weather. Tannin and flavour development was easily achieved. The finished wines show lots of promise in producing an absolute *classic coonawarra* vintage.

Wine: Absolutely *classic coonawarra* Cabernet Sauvignon, this wine opens with a delightful nose abundant in blackberry fruit and tobacco-leaf character. The palate delivers impressive density of flavour with remarkable balance. The wine is supported by the region's natural fine-grained tannin structure. The finish is long, composed, and gently savoury, it is eminently drinkable now yet clearly built for the cellar. A wonderful example of Coonawarra Cabernet Sauvignon, a truly fitting wine celebrating 50 vintages of Bowen Estate.

Drink: Over the next 7-10 years

The Bowen Family is proud to guarantee the origin of this wine. All grapes used are grown and harvested from our sustainably grown vineyards located on Coonawarra's famous terra rossa soil.
